                        gamification

Goals
- Make lesson easy to learn in a bite size manner
- Game like learning with leveling up
- Cat mascot
- Eventually cover the entire 12th grade curriculum
- Color the steps for easy understanding
- Develop for android

Restriction!!!
- Time...!!
- Knowledge!
- Sofia   no   personal computer (restricted schedule)
- Payers !!!
- Schoolator

Keyserdont   Nombre
                    de app

Problem
12th grade curriculum is hard.

Goal:
Make it easier, to learn and digest, with an
app.

Small   Big
Cat   cat

Starting   On level   college   Avatar for
point   level   future

What does the "d" stand for in this formula $v = \dfrac{d}{t}$?

a. displacement
b. velocity

c. distance

d. time

e. dorito

4

What does the "d"

Loading screen Keyser on an octave
2 Inspired Superliminal

#2 #1 Interfae : IHP (Interface home page)
- Menu to select lessons
- Settings   Swipe left to
- Continue lesson   right
- Keyser Kat ← button to give us $
- Competitive leaderbaord
                    Chemist   concept Little Mario
Duolingo   ← Keyser   for each different Galaxy
+ Mario   →   lesson a Keyser → File selection
Galaxy   dressed   menu

When you 1st enter you first appear
on continue lesson

Ideas to mix on IHP
- Mirror concept
- Select lesson
- Different outfits
- Symbols Icons instead of words

- Settings color palette customization (adobe express
  to design it)

Questions:
. English or spanish vanish?
; How to make ~~python~~ shave file?

blobli's

#3 ~~Pre~~- testing/questions menu.
   • Questions related to what the student will
learn.
   •1 question per screen like duolingo
   ◦ questions from 1-3 pts in value
   ◦ rounded edges
   • Multiple types of questions like duo
   (multiple choice, concept matching for meassurm
   ents and stuff ~~da~~ instead of drawing
   the shape just adjust the angles.

         JSS

Extra
   • Keyser good answer animation 0 and 1's
   on his eyes when u get it right
   binary inspired.

   ◦ Purple easy
   • Red boss level ← Gets more Keyser spikey vibes
